## NSI-YNFCON 2024 Greetings!

Dear friends,

After the resounding success of our inaugural physical meeting, it is my pleasure to announce the forthcoming 3rd Meeting of the Young Neurosurgeons' Forum, organized by the Neurological Society of India (NSI). This exciting event is scheduled to take place from 14th to 16th June 2024 at the esteemed Hotel Orchid in Pune.

Recognizing the increasing numbers of neurosurgery trainees and needs of superspeciality training demands a dedicated platform for professional growth, the YNF-NSI forum aims to continue providing an invaluable space for discussions and insights. This year's theme, "Horizon of Young Neurosurgeons," has been carefully chosen to encapsulate the diverse opportunities and challenges that lie ahead in our dynamic field.

We extend a warm invitation to you to join us for an enriching academic weekend filled with stimulating lectures, interactive modules, and engaging discussions. Our program is designed to cater specifically to the needs of young and aspiring neurosurgeons, offering a unique opportunity to learn under the guidance of esteemed mentors at the forefront of our discipline.

The primary objective of this meeting is to empower you to embark on and establish a successful neurosurgery career. Your active participation is not only encouraged but crucial to the success of this open forum. We look forward to hearing your insights, suggestions, and experiences as we collectively shape the future of neurosurgery.

Save the date, as we come together to explore the vast horizon of possibilities for young neurosurgeons. The event promises to be a pivotal moment in your professional journey, and we are eager to welcome you to this inspiring gathering.

See you in Pune for NSI-YNFCON 2024!
